RUG COLLECTION

The Harlequin Rug Collection is a stunning compendium of fashionable rugs, which have been adapted from best-selling designs in the company's extensive portfolio.

Exquisitely crafted, these eye-catching wool rugs are hand-tufted to emphasise their sumptuous textures and mouth-watering tones. Each individual piece makes a statement in its own right, as well as acting as the perfect complement to Harlequin's stunning fabrics and wallcoverings.

Comprising designs not just for adults, but children's rooms too, these totally on-trend, yet effortlessly timeless rugs will add an extra element of luxury to any interior scheme.

In 2015 there will be a new addition to the range, a digitally-produced woven rug based on the fabulous spray-dyed Amazilia Velvets collection – sultry and striking.
