RUG COLLECTION

R E S I D E N C E

Ted's appreciation for a beautiful rug began on the snowy summit of the Altai Mountains in Siberia. Seeking a light bulb moment and a breath of fresh air, he stumbled (quite literally) upon a magnificently embellished piece of carpet, buried under a snow-capped rock.

Inspired by the stylish scrap of tapestry found at 4,000 feet, each rug in this collection is lovingly handcrafted, weaving Ted Baker's signature eye for style with Brink & Campman's craftsmanship. With iconic prints and head-turning colours, these fashionable foundations offer wall-to-wall flair and make every house a home.
